TITLE

Kiln Workshop Guide 4: PPE

ARTICLE

Guide 4 in this series concentrates on a relatively narrow set of health and safety priorities specific to the selection of Personal Protective Equipment (PPE) during planned and unplanned maintenance of kilns and pre-heaters in the UK.

Subjects covered include:

- * Hard hats
- * Boots
- * High visibility clothing
- * Dust masks
- * Eye protection
- * Ear protection
- * Gloves
- * Sundry items
- * Application of standards
