LEARNING POINTS / ACTIONS TAKEN

ACTIONS

- The driver was provided with first aid assistance on site and was able to complete his duties.
- This event was forwarded to the transport department and this issue was raised with the drivers employer.
- Both employer and driver were warned that any repeat of this unsafe behaviour could lead to a suspension or ban from Hanson operations.

RECOMMENDATION

Always Follow the HOLD ON! Principles

- Use steps and handholds
- Maintain three points of contact
- Check ground conditions
- DonTMt jump!

Drivers are reminded to take reasonable care of their safety and the safety of others that might be effected by there actions.

Near miss report pads are available at weighbridges, if you see an unsafe act or condition please report it.
