TITLE	
'The Fatal 6' Award Winner 2022 - CEMEX	
ARTICLE	
<p><b>Bulk tanker auto lids from CEMEX UK</b></p> <p>This entry was the winner because - in the view of the judges - it could be widely adopted across the industry, it could make a significant impact in reducing fatalities and serious injuries associated with falls from height and it used technology to make an operation carried out every day across hundreds of sites safer by eliminating the need for drivers to expose themselves to this risk.</p>
