Upcoming MPA Webinar on MP Connect

Monday 6th February 2023
Book Now Free of Charge

Laura Mountjoy, MP Connect Team Manager at MPQC will be presenting a webinar on the MP Connect System for Drivers and Contractors.

MP Connect has been developed by MPQC with support from the MPA Safer by Partnership Working Group. The Drivers Card element was launched in 2020, with over 15,000 cards now issued and is strongly recommended by MPA to its members. The Contractor (individual) element is also now live, with the Contractor (company) element under development. The webinar will provide members with an opportunity to learn more about the features and functionality of MP Connect and will include a Question and Answer session.
