State of the industry in Great Britain

Helen Turner

HM Inspector of Health and Safety
Quarrying Industry

Surface Operations

- 2500 quarries
- 625 operators, mostly SMEs
- 60,000 employed in Quarries (employees, contractors and agency workers)
- Another 35,000 hauliers
- Trade associations represent less than 40% of operators
Eleven years of quarry fatalities

Quarrying: Rate of Fatalities

Fatality rates compared
(Quarry working population 60,000 approx)
Five years of success – accident reduction under the Hard Target
Where do we go from here?
Target Zero priorities

• Design
• Competence
• Education
• Workforce involvement
• Occupational health
• Rehabilitation
• Contractors and hauliers
• Supply chain issues
• Behaviour, leadership and culture
