

Look after your mates

Look after the physical and mental health of every member

How do I protect my mates?

- Wash your hands frequently
- Observe new site rules in relationship to COVID-19
- Do not share PPE, ensure re-usable PPE is being cleaned
- Avoid sharing tools, utensils, equipment if possible
- Always clean tools, utensils, equipment after using
- Always check that your mates are OK
- If you have concerns report them to your supervisor
- Do not be distracted by COVID-19 measures
- Always maintain other health and safety disciplines

If you cannot undertake the task safely - STOP

*Wash your hands . . . Maintain social distancing . . .
Clean your equipment . . . Maintain discipline*
